We hope you enjoy yourself tonight. Please remember that the money raised tonight stays in the Dane County Chapter. Our Board then directs the use of that money to build habitat, sponsor youth hunting opportunities and promote outdoor education. If you wish to be part of the Board of Directors or would like to be involved in your Chapter's activities, please come to our meetings held the first Wednesday of each month at 7:00. Location can vary so check our web site. To both stay current with activities and "Like" us on Facebook. Board of Directors nominations and elections are held at the March meeting following the annual banquet.

Our Mission:

“Pheasants Forever is dedicated to the conservation of pheasants, quail and other wildlife through habitat improvements, public awareness, education and land management policies and programs.”

Please express your appreciation to our Chapter Sponsors and patronize their businesses whenever possible. This banquet would not be possible without their continued support and generosity.
